CONFERENCES- February 21st and 22nd

Each year, AmeriSchools schedules conferences with parents and students to review overall progress as well as to help create clear goals for the last trimester. Students should attend these conferences to hear and share what they have accomplished and understand what they are still learning.

During this time, your teacher will be handing out re-enrollment forms. These forms will be due back on **Friday, March 2nd**. If you do not receive a re-enrollment form at your conference, Mrs. Martinez will have them in the front office.
